## **1. Scope of Statement**

This Statement sets out the course fees charged by the College. The Statement is subject to rule changes introduced by government and funding agencies which may occur in the course of an academic year.

This statement has been drafted based on the rules set out by the Education and Skills Funding Agency (ESFA) for academic year 2023/24. These rules may be subject to change before the commencement of that academic year and therefore should not be viewed as binding.

The Statement covers fees for publicly funded training and learning as well as provision run by the College that does not attract public funding.

The Statement does not cover Higher Education which is covered within the Higher Education Fees and Eligibility Statement.

It does not apply to European Social Fund (ESF) Projects and other publicly funded projects where the criteria are set in the individual bids.

### **1.1. Statement Rules**

This Statement will be updated on an annual basis and will be re-issued before May 1st each year, unless government guidance is unavailable.
