	factors and this module discusses the changing employment environment.		
	<p>Crime and Criminology Students will develop their understanding of the way the legal system works, with a particular emphasis on criminal behaviour and the criminal justice system – what is a ‘crime’ and why do people commit crimes? The Penal system is also discussed and the moral argument whether rehabilitation is better than punishment.</p>	20	Mandatory
	<p>Globalisation and Security The module is aimed at developing learner’s knowledge and understanding of current global issues and how they impact upon nation states. This includes Migration, Environment, Media and Terrorism and how they all link to each other.</p>	20	Mandatory
	<p>Development of Leadership and Management Skills within the Public Sector Students not only need to have a good theoretical understanding of management and leadership theories, but also need to know how to apply them in the workplace.</p>	20	Mandatory
	<p>Professional Studies and Outdoor Application The aim of this module is to develop the learner’s ability to apply theoretical principles in management and leadership within a practical land-based skills residential week and the discussion of theory in practice.</p>	20	Mandatory
Level 6			
	<p>Dissertation This module is intended to allow participants to research, on an individual and independent basis, some agreed aspect of professional practice or to explore some in-depth theoretical aspect of the public sector.</p>	40	Mandatory
	<p>Individual Leadership and Management Skills within the Public Sector This module aims to develop students’ leadership and management skills in areas which are likely to improve public sector efficiency and effectiveness. Including, individual accountability, organisational outcome, performance management, teamwork and growth.</p>	30	Mandatory
	<p>Contemporary Issues This module provides the opportunity to study and research current issues and developments which are relevant to the Public Sector environment.</p>	20	Mandatory
	<p>Professional Development and Mentoring This module allows the student to develop skills and theoretical understanding to a real-life Mentoring Scheme designed by themselves. This module is both practical and theoretical.</p>	30	Mandatory
