Dear Parent / Carer

I am writing to inform you that our College will be taking part in a jointly run operation between Norfolk County Council, Norfolk Police and our College, it is called Operation Encompass. Operation Encompass has been set-up to help schools & colleges provide support to children who have experienced incidents of domestic abuse or where children have experienced a missing from home or care episode. We know that children can be significantly physically or emotionally harmed when they experience to domestic abuse or have missing episodes.

The College will receive a confidential notification from Norfolk Children's Services before 9am or as soon as possible thereafter on the morning after any domestic incident which Norfolk Police have recorded where a child at their school or college has experienced a domestic abuse related incident or a missing episode reported to the police.

The College has designated Jennifer Eves Interim Chief Executive Officer, Mathew Scott Easton Principal, Helen Richardson-Hulme Vice Principal of Safeguarding, Inclusion and Student Services, Chris Caddamy Executive Director Data, Digital and Transformation and Jacky Sturman Executive Manager as Key Adults.

Our Key Adults have received training from Norfolk County Council to allow them to use the information that has been shared to make sure that the right support is available for children and their families who have experienced a domestic abuse related incident or a missing from home episode.

We are keen to offer the best support possible to our pupils and we believe this is going to be extremely beneficial for all those involved.

If you have any concerns or questions, then please contact one of the above Key Adults or me and we will be happy to discuss this further. Further information about the project can be found on our school's website and is available from the school office on request

Yours sincerely,

Jennifer H Eves
