- b. Refunds for students who pay their own tuition fees.*
- c. Refunds for students whose tuition fees are paid by a sponsor.*

- Tuition fee liability is set out in section 4.3 above. In the event that an HE student ceases their studies and leaves the College, a refund of tuition fees will be made if the fees paid exceed the calculated liability.
- The policy is updated annually. The policy that applies to HE students is therefore dependent on the nature of the course studied and the course start date.
- There is no variation in policy in relation to a HE student's fee status be they categorised as being liable for fees at the Home, EU or International rates.
- The refund would be paid to whomever paid the tuition fee.

## 5.4 Compensation

The College's approach to course closure is to teach all HE students through to the completion of their studies. The College's course closure process ensures plans are put in place to enable all students registered on the course to complete their studies. There are no courses identified where there would be an increased risk of non-continuation.

**5.4.1** In the exceedingly rare event that the College was not able to preserve the continuation of study the College would provide a transcript and where appropriate an HE exit award in relation to the credits passed and awarded, and seek to relocate the student, so they can complete their studies and achieve the intended qualification aim, at another provider.

**5.4.1.1** In the event students transfer to complete their studies at another HE provider, the College would provide a compensation payment that would cover: -

- a) In the case of students on a course with an unregulated fee,

  - ii. relocation expenses of up to £1,500 on the provision of receipts.

## **6.3 Exclusions Non Payment**

No refunds will be paid to any student who is excluded on the grounds of non -payment of Fees, additional costs or instalments. Exclusion for non -payment of Fees, additional costs or instalments will not require referral to the student disciplinary procedure.

## **6.4 Emergency Loan**

The College operates an emergency loan facility where a student is able to access funds in the case of an emergency. All enquires are to be made via the Advice Shop.
