## **Full Body Massage with Seaweed Body Wrap\*** **was £30 now only £15**

*After the full body massage, your Seaweed body wrap treatment will start. Your therapist will start by body brushing, to improve your circulation and the texture and appearance of skin and then she will exfoliate your skin to remove dead skin cells. The seaweed detoxifying wrap is applied and you will be cocooned under a heated blanket to relax for 25 minutes. During this time you will receive a tranquil scalp massage. The wrap is removed by showering and your therapist will complete your treatment by applying a hydrating moisturiser. \*Clients will need to bring two piece swimwear. Please allow 2.15 hours.*

## **Galvanic Facial** **Usual price £15 Offer price £10**

*Galvanic improves the skins texture through desquamation, it cleanses the skin and helps to introduce beneficial ingredients into the skin to improve the skins condition. Galvanic treatment improves the skin in two ways: Desincrustation - removes surface blockages and provides a thorough cleansing of the skin. Iontophoresis - pushes treatment gels into the skin to treat skin concerns/conditions. Treatment includes a facial massage and facial mask application. Please allow 1.15 hours*
