The main college campus is located on Ipswich Road, approximately 1/2 mile from the City Centre.

From the St Stephen's Street roundabout (near the bus station), follow the signs to Ipswich.

A few hundred metres south of the roundabout the A11 and 140 divide; take the left fork and the college is about 300 metres further along on the left (see first map on reverse).

For our Higher Education campuses, please see the second map on the back page.

By car

There are limited car parking facilities at the college (which do fill up very quickly on a morning). We recommend, where possible, that you use alternative forms of transport.

Car parking is on a first come, first served basis for visitors. Visitor parking is generally located at the front of the main Norwich Building.

There is currently free parking available for staff and students. The student car park is located at the top of Waveney Drive via the Southwell Entrance to the college. The main staff car park is located at the north end of the campus via the main staff/visitor entrance.

There is a dedicated space for charging up electric vehicles free of charge in front of the main Norwich building.

By motorcycle

A parking area for motorcycles is located to the front of the main student car park. Motorcycles are exempt from pay and display charges.

Car share

If you are interested in car sharing, there is a scheme run in Norfolk which the college supports (along with City and County Council). Log onto www.carsharenorfolk.com for full details or call 08700 111199.

By bicycle

For a map of the main cycle routes in and around Norwich, go to the Norwich City Council website at www.norwich.gov.uk and look under 'Cycling'.

The college has a number of cycle racks, changing rooms and shower facilities available for use.

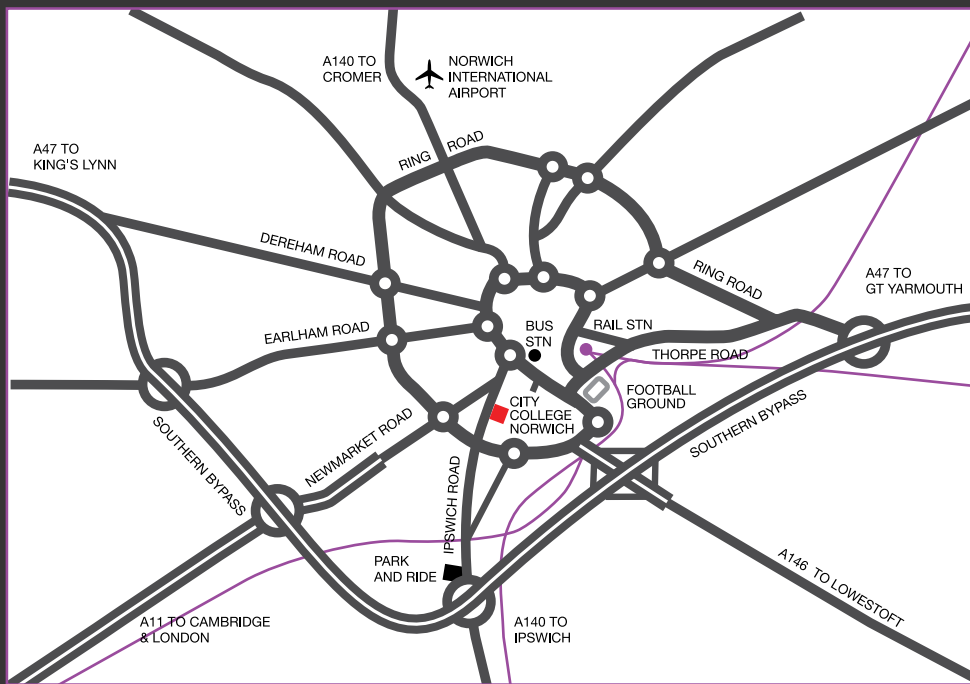

On foot

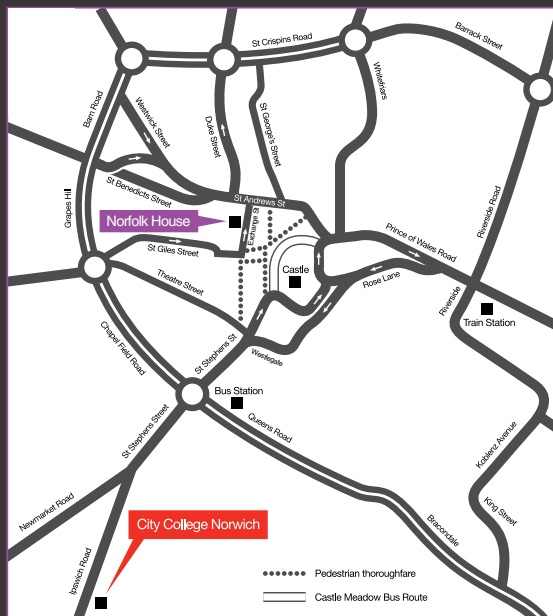

There is a good network of well lit pathways to and from campus, and safe crossing points across Ipswich Road.

If you are walking in conjunction with using public transport, the college is only 1/2 mile from the main bus depot in Surrey Street.
